PETITION TO CORRECT ASSIGNMENT

Dear Commissioner,

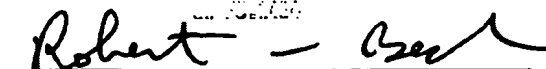

The above-identified patent was issued with only one of two of the Assignees. This was due to an inadvertent clerical error in my office. We failed to include both names on the Issue Fee Transmittal Form PTOL-85B; however, both names were included on the Assignment Document. The applicants kindly request that 37 CFR 3.81(a) be waived to permit the correct names of both assignees to reflect on the patent. I have enclosed a Certificate of Correction, indicating the change, and respectfully request your consideration. In addition, I have enclosed a copy of the Notice of Recordation of Assignment Document as well, indicating the reel/frame number where the assignment is recorded.

The petition fee amount of \$130.00 is also enclosed.
